

MT. LEHMAN INDUSTRIAL PARK Abbotsford, BC

design & project management

Wedler Engineering LLP provided design and project management services related to the development of a 10 lot industrial subdivision located at Simpson Road and Mt. Lehman Road in Abbotsford.

The project involved:

- 400mm Ø trunk watermain
- On-line detention pond with an environmental “beaded channel” for enhancement of a fisheries-sensitive area
- Upgrading of Mt. Lehman Road to an arterial standard
- Construction of Progressive Way to a collector standard
- Storm, sanitary and water services to the lots
- A sanitary sewer pump station and forcemain
